director of the White House Office of Faith-Based and Community Initiatives under president George W. Bush in 2001.

American Government (textbook) - Wikipedia overview Overview As an academic field, American government encompasses not only the study of the systems, institutions, and policies of the United States government but also the political ideals and beliefs of the American people. The field falls within the broader discipline of political science, the study of government and power.

Online Library American Government 10th Edition Textbook Outline

This terrific textbook will help students get to the bottom of the mysteries of the American government and why it has been so difficult for Americans to work together for the common good. Cal Jillson expertly shows us how our past shapes our current political path, from Black Lives Matter to the legalization of marijuana, voter ID, mass shootings, and the historic election of 2016.
