In many cases, such as for direct care staff in Michigan's Adult Foster Care Homes, training can be taken independently in the school from the publication: "Providing Residential Services in Community Settings" with approved updates. However, there are also scheduled sessions where workers can log-in for live instruction.

~~TRAINING | Direct Care Training~~

These guidelines have been written for a training context in which a training manual will be the main delivery source for the educational experience. The manual will neither compliment a stand-up trainer nor will it be downloaded from an Internet training session. Instead, this training manual will be used as a self-study tool.
