William David Kingery was a material scientist who developed systematic methods for the study of ceramics. For his work, he was awarded the Kyoto Prize in 1999.

~~Introduction to Ceramics - W. David Kingery, H. K. Bowen ...~~

Introductions to ceramics by Kingery is the bible for ceramists. This book is more focused on the ceramic basic science and, apparently, it is a poor book for applications. However, Kyngery et al. teaches us the basic science we all need to know to be able to work on ceramics. It is difficult to work on ceramics if the basic knowledge taught by ...
