Treasure Island Study Guide. Buy Study
Guide. Stevenson conceived of the idea of
Treasure Island (originally titled, "The Sea
Cook: A Story for Boys") from a map of
an imaginary, romantic island idly drawn
by Stevenson and his stepson on a rainy
day in Breamar, Scotland. Stevenson had
just returned from his first stay in
America, with memories of poverty,
illness and adventure (including his recent
marriage), and a warm reconciliation
between his parents had been established.

Treasure Island: Study Guide | SparkNotes
Hispaniola, the name of the ship that carries the characters to Treasure Island, is also the old name for the island now divided between the nations of Dominican Republic and Haiti. There, a sunken Spanish ship carrying a great deal of treasure was discovered by a notorious adventurer, William Phips, who left some gold for others to find.

ROBERT LOUIS STEVENSON'S TREASURE ISLAND

Treasure Island is such a rich adventure story in part because Stevenson allows its hero to resemble its ostensible villain. Many of Jim's heroic actions are inspired, at least in part, by the villainous Silver's spirit. Stevenson implies that the line between right and wrong, good and evil, is often quite ambiguous.

Treasure Island: Study Questions | SparkNotes

Published as a series in the magazine "Young Folks" between 1881 and 1882, "Treasure Island" is notable as a children's book because of the moral ambiguity of many of its main characters. The "good guys" are sometimes not so good and its most memorable character, Long John Silver, is a classic anti-hero. The story has captured imaginations for more than a hundred years and has been adapted for film and television more than 50 times.

Jim, Doctor Livesey, and Squire Trelawney all go over to the dock where the Hispaniola is moored. Jim observes that Squire Trelawney gets along well with the mate, Arrow, but not with the captain of the ship, Smollett. Captain Smollett soon levels with Squire Trelawney: he's not happy with the crew or his first mate.
