McDonaldization of Society ...~~

“McDonaldization” is a term used by sociologist George Ritzer in his book The McDonaldization of Society (1993). McDonaldization as described by Ritzer is a reconceptualization of rationalization, or moving from traditional to rational modes of thought, and scientific management. In sociology, rationalization refers to the replacement of traditions, values, and emotions as motivators for behavior in society with rational, calculated ones.

George Ritzer coined the word McDonaldization in his book ‘The Mcdonaldization of Society’ published in 1993. McDonaldization is the model that was adopted by Mc Donald’s in the industry of fast food. This model is viewed as the most rational form of running any business in the capitalist system. Its rationality can be understood from the four basic components.
